

The Lyons Central School District is providing meals for students free of charge. A school vehicle will come to your home to deliver breakfast and lunch to you between noon and 2:00 p.m. Monday – Friday starting Wednesday, March 18 through Monday, April 14.

We have set up a special e-mail address to:

- opt out of receiving meals
- notify staff of any allergies
- notify staff that meals need to be delivered to another address
